500 Euro Voucher

for cars with two drivers

How does it work?

- Our technical colleagues install the devices in your car.
- You drive for 18 weeks (without changing your normal daily plan). And the devices collect your driving data.
- After 18 weeks our technical colleagues de-install the devices from your car.

Thank you

- You will receive 250 Euro in the form of vouchers as a thank you.
- If your car has a second driver, and he/she wants to participate, we will give also the second driver a 250 € voucher.

When?
